## EUROPE - THE FORTEC WAY

We are part of the global GEODIS group, owned by SNCF, and Europe's fourth largest transport and logistics operator.

Using our parent company's well-established networks, we can offer unrivalled access across Europe with well-established and long-standing routes throughout the Continent.

Our services use a combination of owned networks in France, Belgium, The Netherlands and Luxembourg with trusted, long-term partners across the rest of Europe.

Our partners are leading domestic networks in their own markets and share the same high quality processes and standards as Fortec.

# EUROPEAN DELIVERIES, MADE SIMPLE

- Simple tariff
- Extremely competitive rates
- No fuel or hidden surcharges
- Set departure schedules ensuring reliability
- Transparent transit times
- Manage your consignments through our traffic management system, ForTrack
- Accurate tracking through our online portal

## PREMIUM EUROPEAN

Our premium service offers the quickest possible transit times to 13 key European destinations. Consignments using the premium service are placed as priority freight on the next outward bound trunk into Europe.

DESTINATIONS: Austria, Belgium, Czech Republic, France, Germany, Hungary, Italy, Luxembourg, The Netherlands, Poland, Slovakia, Slovenia, Spain

## ECONOMY EUROPEAN

Our economy service reaches 24 countries across Europe with clear and transparent transit times and published departure days to each destination.

DESTINATIONS: As per Premium plus Bulgaria, Denmark, Estonia, Finland, Latvia, Lithuania, Norway\*, Portugal, Romania, Sweden and Switzerland\*.

\*Switzerland, Norway and other principalities may be subject to additional transit times due to customs clearance procedures or secondary transportation requirements - such as ferry crossings.

Established in 1996, the Fortec Distribution Network is a leading distributor of palletised goods in the UK, Ireland and Europe. Through our members, all experienced transport and logistics companies in their own right, we specialise in secure, on-time delivery of palletised, time-critical goods.

We are passionate about excellence in all areas of the business and offer an unrivalled quality of service.

Our reputation is built on excellence and the flexibility we can offer our customers.

We like to call this approach...
